

NEIGHBOURHOOD WATCH 2021 CRIME AND COMMUNITY SURVEY – closing on 16th November!

For the second year running, Neighbourhood Watch Network (the umbrella charity for Neighbourhood Watches across England and Wales) would like to hear from the public about crime and community.

The survey is **open to everyone across England and Wales**, regardless of whether you live in a Neighbourhood Watch area or not.

The results will enable Neighbourhood Watch to better understand:

crime levels

fear of crime

neighbourliness

the willingness of communities to work together

and benchmark whether membership of a Neighbourhood Watch scheme or living in a Neighbourhood Watch area impacts all of the above.

Last year, the survey received just over 30,000 responses from England and Wales, providing Neighbourhood Watch with a rich and useful set of data.

We really need your support to complete the survey to ensure we can create not only a valuable national report but also **informative regional reports**.

We would be grateful if you could complete this survey before the 16th November and share it as widely as possible.

Thank you so much for your support.
