DECLARATION OF INTEREST

No interest was declared in the agenda.

A dispensation was granted to all Parish Councillors in order to discuss the Precept and other financial matters.

PUBLIC SESSION

Flooding: Church Street residents attended the meeting to ask if anything could be done regarding the amount of water that comes off the fields when it rains. The recent rain has caused flooding and damaged homes. All residents on Church Street should try to work out a solution with the person who owns the land behind their homes. P.Jarvis will find out who owns the land. The Clerk will write to Highways, Anglian Water, Norfolk County Council and Environmental Agency to see if anything can be sorted as regards the sewage and drainage. Over the years ditches have been filled in and the drains are now too small. Southend also have problems with their ditches. C.Allhusen will look into this.

The River Wissey runs through several gardens in Mill Street and it is the responsibility of the house owner to keep their section of the river clear.

A resident mentioned that there were no blue plasters in the First Aid box in the kitchen. This is a matter for the Village Hall Committee and will be passed on.
